REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Upon further consideration, the examiner feels there is no motivation, absent hindsight reasoning to combine Voy et al. (US Patent No. 5,351,426) to the admitted prior art. The teachings of Voy do not deal with the problem addressed by the applicant and to use the teachings of Voy is contrary to the accepted wisdom in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sue A. Purvis whose telephone number is (571) 272-1236. The examiner can normally be reached on Monday through Friday 9am to 6pm.
